

EDUCATIONAL LINE

The school microscope – For the first steps in microscopy and for use in biology lessons

Features

Model

- The KERN OBS range is a solid and simple school microscope range, which is easy to use due to its intuitive control elements
- · The continuously dimmable 0.5W LED guarantees optimum illumination of the samples and also ensures long service life. Mobile use is also no problem through the use of rechargeable batteries
- The simple 0.65 condenser on the OBS 101 (condenser disc) and the OBS 102 (fixed condenser) ensures the very best concentration of light and illumination of the sample. The OBS 103, 104, 105 and 106 models have a 1.25 Abbe condenser which

is height-adjustable and can therefore be focussed and has an aperture diaphragm, which ensures the very best concentration of light

- · To focus the object, all models have a coarse and fine focusing knob on both sides. The mechanical stage enables you to work with the samples and move them rapidly (only for OBS 105, 106)
- · A large selection of different eyepieces and objectives is also available
- · Please find detailed information in the following model outfit list

Scope of application

· Primary school, secondary school, training, hobby use

Applications/Samples

• Translucent, thin, high-contrast, less complex samples (e.g. plant tissue, coloured cells/ parasites)

Technical data

- Finite optical system (DIN)
- Triple (OBS 101, 102) or quadplex (OBS 103, 104, 105, 106) nosepiece
- Tube 45° (OBS 101, 102, 103, 105) or 30° (OBS 104, 106) inclined/360° rotatable
- · Diopter adjustment: Both-sided (for binocular models)
- · Overall dimensions W×D×H 130×300×310 mm
- · Net weight approx. 3 kg

MICROSCOPES & REFRACTOMETERS 2023

KERN PICTOGRAMS

Ready for battery operation. The battery

type is specified for each device.

Battery operation rechargeable

Prepared for a rechargeable battery

Plug-in power supply 230V/50Hz in standard version for EU.

On request GB, AUS or USA version.

Integrated in microscope. 230V/50Hz standard EU. More standards e.g.

The time required to manufacture the product internally is shown in days in

Integrated power supply unit

GB, AUS or USA on request.

RECHARGE

230 V

360° rotatable microscope head

Monocular Microscope For the inspection with one eye

Binocular Microscope For the inspection with both eyes

Trinocular Microscope

For the inspection with both eyes and the additional option for the connection of a camera

Abbe Condenser

With high numerical aperture for the concentration and the focusing of light

Halogen illumination

For pictures bright and rich in contrast

LED illumination

Cold, energy-saving and especially long-life illumination

Incident illumination

For non-transparent objects

Transmitting illumination

For transparent objects

Fluorescence illumination For stereomicroscopes

Fluorescence illumination for compound microscopes

With 100 W mercury lamp and filter

Fluorescence illumination for compound microscopes

With 3 W LED illumination and filter

Phase contrast unit

For a higher contrast

Darkfield condenser/unit

For a higher contrast due to indirect illumination

Polarising unit

To polarise the light

00

Infinity system

Infinity corrected optical system

Zoom magnification For stereomicroscopes

Auto-focus

For automatic control of the focus level

Parallel optical system

For stereomicroscopes, enables fatigue-proof working

Integrated scale

In the eyepiece

SD card

For data storage

USB 2.0 digital camera

For direct transmitting of the picture to a PC

USB 3.0 digital camera

For direct transmitting of the picture to a PC

WIFI data interface:

For transmitting of the picture to a mobile display device

HDMI digital camera

For direct transmitting of the picture to a display device

PC software

To transfer the measurements from the device to a PC.

Automatic temperature compesation

For measurements between 10 °C and 30 °C

Protection against dust and water

splashes IPxx:

The type of protection is shown in the pictogram cf. DIN EN 60529:2000-09, IEC 60529:1989+A1:1999+A2:2013
