* Weight set contains two weights of this value

All weights come with a master carrying case.

- Sets where the largest weight is under 1 kg come with a brush and forceps.
- Sets where the largest weight is 1 kg – 5 kg come with brush, lifters and forceps.
- Weight sets where the largest weight is 10 kg and above are supplied with a Complete Accessory Kit which includes a microfibre cloth, nylon glove, small and wide brushes, and forceps.
- Weight and weight sets with NVLAP certificates: In order to get personalized certificate, please contact Sales Support Center.

The National Voluntary Laboratory Accreditation Program (NVLAP) provides third-party accreditation to testing and calibration laboratories in response to legislative actions or requests from government agencies or private-sector organizations. NVLAP-accredited laboratories are assessed against the management and technical requirements published in the International Standard, ISO/IEC 17025:2017. NVLAP has obtained approval from the International Laboratory Accreditation Cooperation (ILAC) for the use of the ILAC MRA Mark. For further details as well as list of member organizations please visit https://ilac.org/.

*Weight set contains two weights of this value.

All weights come with a master carrying case.

- Sets where the largest weight is under 1 kg come with a brush and forceps.
- Sets where the largest weight is 1 kg – 5 kg come with brush, lifters and forceps.
- Weight sets where the largest weight is 10 kg and above are supplied with a Complete Accessory Kit which includes a microfibre cloth, nylon glove, small and wide brushes, and forceps.
- Weight and weight sets with NVLAP certificates: In order to get personalized certificate, please contact Sales Support Center.

The National Voluntary Laboratory Accreditation Program (NVLAP) provides third-party accreditation to testing and calibration laboratories in response to legislative actions or requests from government agencies or private-sector organizations. NVLAP-accredited laboratories are assessed against the management and technical requirements published in the International Standard, ISO/IEC 17025:2017. NVLAP has obtained approval from the International Laboratory Accreditation Cooperation (ILAC) for the use of the ILAC MRA Mark. For further details as well as list of member organizations please visit https://ilac.org/.
